

Green Team Accomplishments 2013

- Purchased bike rack for Fairgrounds (with contributions from S.A.V.E.)
- Advanced Environmental Preferred Purchasing Policy county-wide.
- Organized and participated in Earth Hour (received County Proclamation from Board of County Commissioners on March 23)
- Organized and participated in Earth Day by hosting table at an April Farmers Market.
- Helped promote and participated in May 2013 Bike/Walk to Work Challenge.
- Organized, participated, and promoted Battery Recycling Drive in August. Five Gallons were collected.
- Collaborated with BatteriesPlus to implement permanent recycling in five county buildings.
- Purchased 20 reusable bowls and 20 plates for everyone to use, and due to popular demand, ordered an additional set of 40 bowls, plates, cups, and cutlery.
